**Date and Time : July 27, 2016(Wed.)**

**Lecture : 13:00~14:00**

**Individual Consultation : 14:00~15:00**

**Venue: Auditorium, 8<sup>th</sup> Floor,  
Graduate School of International Development  
(GSID), Higashiyama Campus**

**Lecturer: Dr. Essam Yassin Mohammed**

Senior researcher (environmental economics),  
Shaping Sustainable Markets,  
International Institute for Environment and Development,  
United Kingdom

**Title: “Seven tips for launching a career in  
international development”**

**Dr. Essam Yassin Mohammed** is senior economist with IIED and former Head of Fisheries Promotion Unit at the Ministry of Fisheries of Eritrea. In addition to his academic and professional experience as fisheries scientist, he is an expert in economic valuation of the environment. In his capacity as senior economist, he works on a wide range of topics from economic valuation of environmental goods and services to influencing policy processes to promote fair, inclusive and sustainable economies both at national and global levels. Essam also leads IIED's work programme on Ocean and Fisheries Economics.

Essam is a member of the LDCs Independent Expert Group on Post-2015 Development Agenda, and member of the Panel on Methodological Assessment of Scenarios and Modelling of Biodiversity and Ecosystem Services, Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES) of the United Nations.
